

2018 SUMMER AID APPLICATION

Undergraduate Summer Session Grant:

The summer session grant is available to all undergraduate students who are not graduating May 2018. The amount of grant awarded depends on the number of hours of enrollment and financial need (need only determines the amount of grant, not the eligibility). To be eligible, students cannot receive any other type of tuition assistance, such as employee rebate or veteran benefits. The summer session grant can only be used toward tuition.

Federal Loan Enrollment Requirements:

Undergraduate students must be attending a minimum of 6 combined hours for the enrollment period between May 2018 and August 2018. Please note, if you choose to attend 3 hours in each session, funds will not be disbursed until Summer II enrollment of a minimum of 6 hours is verified.

Graduate and Ph.D. students must be enrolled for a minimum of 3 combined hours for the enrollment period between May 2018 and August 2018. Please note, if you choose to attend 2 hours in each session, funds will not be disbursed until Summer II enrollment of a minimum of 3 hours is verified.

Law students must be enrolled for a minimum of 2 hours for the enrollment period between May 2018 and August 2018. If enrolled for Summer II only, funds will be disbursed when Summer II begins.

Loan proration: Undergraduate Seniors

If you are graduating during the Summer or Fall semester, your Federal Stafford loan eligibility may be prorated. Proration is determined by the number of hours taken in the final semester.

Borrower-Based Academic Year funding:

Note: If you have borrowed your maximum Federal Stafford Loan eligibility for 2017-2018 school year, a Summer loan may reduce your 2018-2019 Federal Stafford loan eligibility. You must submit your 2018-2019 FAFSA and supporting documentation if selected for verification.

Necessary Steps for Federal Loans:

The following steps must be completed before your summer loan can be processed:

- Complete 2017-2018 and 2018-2019 FAFSA (Free Application for Federal Student Aid).
St. Mary's School Code: 003623
- Enrolled at half-time status at St. Mary's University in a degree-seeking program.
- Have an active Master Promissory Note on file (first-time borrowers must apply online at www.studentloans.gov using your FAFSA pin number.)
- Loan Entrance Counseling required for first-time borrowers (visit www.studentloans.gov to complete Direct Loan Entrance Counseling.)
